

## Europass Curriculum Vitae

### Personal information

First name(s) / Surname(s) **Daniel Clemente Laboreo**  
 E-mail(s) n142857@gmail.com  
 Nationality Spanish  
 Date of birth 17 Jan 85  
 Gender Male

### Desired employment / Occupational field

**Django developer, knowledge management, teaching**

### Work experience

<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p>	<p>05/2007 - 05/2008</p> <p>Analyst and tester of semantic desktop applications</p> <p>I worked in European's Union NEPOMUK project at FZI testing, expanding and developing a semantic repository of information (SWECR) and a world modeling language (CDS). Worked with Java, RDF, junit, Maven, Eclipse, Jira, ... in a big team.</p>
<p>Name and address of employer</p> <p>Type of business or sector</p>	<p>Forschungszentrum Karlsruhe</p> <p>Information and communication</p>
<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p>	<p>03/2008 - 09/2009</p> <p>Web portals developer</p> <p>- Wide experience in Liferay web portal: Portlet programming (JSR-168) in Java: design of new portlets, and adaptation of Liferay to client's needs. Technical documentation. Scalability tests. Integration with Alfresco and SugarCRM. Worked much with Java, Struts, Hibernate, Tomcat, jQuery, HTML, CSS, Velocity, and more. - Many projects about interactive forms in PDF forms; created software to handle them.</p>
<p>Name and address of employer</p> <p>Type of business or sector</p>	<p>openTrends</p> <p>Information and communication</p>
<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p>	<p>09/2009 - 07/2011</p> <p>GIS engineer</p> <p>- design and programming of a fleet tracking platform: GPS trackers data acquisition and analysis, DB storage (Postgis, Python), rich web interface for map and tracks visualization (OpenLayers, ExtJs), server software (GeoServer), PDA apps to view maps (Java, J2ME, midlets) - network and server administration (GNU/Linux) - created collaboration portals (Joomla, Tikiwiki) - much teaching about programming and GIS</p>
<p>Name and address of employer</p> <p>Type of business or sector</p>	<p>LOVIC Disseny i control de serveis urbans</p> <p>Information and communication</p>
<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p>	<p>04/2011 →</p> <p>CTO and cofounder</p> <p>Compraventalia is a social network for classified ads. I did all the programming from scratch in Django (Python), coded HTML/CSS/JS, and set up web/DB/mail servers. I worked in a small team of</p>

entrepreneurs.

Name and address of employer Compraventalia.com  
Barcelona

Type of business or sector Information and communication

Dates 03/2012 - 07/2012

Occupation or position held Django programmer, R&D

Main activities and responsibilities I improved the infrastructure for the main product (virtual assistant, with NLP), designed a logging and statistics framework, set up Django production servers and instructed others about Django.

Name and address of employer ViClone

Type of business or sector Information and communication

Dates 07/2012 →

Occupation or position held CTO and cofounder

Main activities and responsibilities Systems design, architecture, beta, entrepreneurship (business plan, product, investment).  
Technologies: Django, Zurb Foundation, connection with affiliate networks

Name and address of employer Zocko.com  
Barcelona

Type of business or sector Information and communication

## Education and training

Dates 2003 - 2006

Title of qualification awarded Technical engineer in computing science

Name and type of organisation providing education and training Universitat Politècnica de Catalunya

Dates 2006 - 2007

Principal subjects / occupational skills covered Final thesis about semantic representation of argumentation (how to model discussions). Written in German.

Name and type of organisation providing education and training Universität Karlsruhe

Level in national or international classification Erasmus (exchange program)

## Personal skills and competences

Mother tongue(s) **Spanish & Catalan**

Other language(s)

Self-assessment  
*European level (\*)*
