(*) [Common European Framework of Reference \(CEF\) level](#)

Social skills and competences | - Perfectionist; I don't accept suboptimal solutions
 - Good analytical and argumentation skills; I enjoyed taking part in a German debate club, and wrote my thesis about discussions
 - Good sense of ethics; I don't do what I think is wrong. I use, develop and promote non-restrictive software
 - I am good at teaching. I have been doing it at work (programming) and for leisure (languages)

Organisational skills and competences | - Great control of task management software, time tracking, requisite planning; I use these tools also in my daily life
 - I can detect my own planning and estimation errors and learn from them
 - I like working alone in my own way, and I work best in a competent team with clear job divisions.
 - I have managed small groups (1-2 people) at the workplace and mentored many individuals

Technical skills and competences | - Finding, analyzing and solving complex problems

| | |
|---------------------------------|---|
| Computer skills and competences | <ul style="list-style-type: none"> - Quality assurance, web and program usability, language validation - Knowledge management and transfer, semantic technologies, logic - Free software ecosystem, GNU/Linux for server and desktop; scripts, administration - Django framework, pragmatic web application programming - Web project design and development. JavaScript, jQuery, CSS - Collaboration tools like bzt, git, svn. Unit tests, code metrics, code quality - JAVA, Liferay, portlets - Also studied and used: Perl, C++, Lisp, and others - Understanding of computer security |
| Artistic skills and competences | <ul style="list-style-type: none"> - I like technical juggling; I have been in juggling associations for 9 years and have organized workshops and juggling conventions - I love learning languages and grammar and similar concepts, like music |
| Other skills and competences | <ul style="list-style-type: none"> - My personality type is INTP - I also like finance (valuation, security analysis), entrepreneurship and business operation |
| Additional information | <ul style="list-style-type: none"> - Certifications: I have JAVA (SCJP, SCWCD), German at Studienkolleg Karlsruhe (DSH-3, and prize for obtaining the best note), and other minor ones. - I'm currently moving abroad from Spain, looking for other cultures and languages |
